PROFILE SUMMERY

Hi there, I'm Michael and for the last year I've been making people and businesses be seen, heard and known using my skills in copywriting and graphic design, composing expertly crafted words and presenting those words in the best possible way.

EXPERIENCE

Copywritng
and
graphics

I've written and designed ads for businesses remotely, for their marketing campaigns.

Social media
post and
ad design

I have freelanced for small scale businesses helping them elevate their social media presense and ultimatley increase sales.

branding
and landing
page design

I have worked with upcoming businesses as well, developing brand consepts and identity.
